CRS Australia

Refer your patient today

Does your patient have a disability, injury or health condition and:

receive Centrelink benefits

is ready to find and keep a job?

CRS Australia can help.

■ REHABILITATION ■ EMPLOYMENT ■ INDEPENDENCE

‘ When someone has faith in you it gives you the confidence to move on.’

Wayne Warner, former CRS Australia job seeker who suffered from a femoral nerve injury. Following his program, he was employed as a property manager.

Refer your patient to CRS Australia – we can help them to find and keep a job.

Our highly skilled allied health professionals and support staff can work with you to create a tailored program that suits your patient’s needs. Our staff also provide six months support once your patient starts work.

With over 180 offices across the country, CRS Australia helps around 60,000 job seekers each year to make the transition into work.

**Got a patient in mind?
Got questions? Short on time?
We make it easy.**

At CRS Australia, we will make sure your patient finds the right employment service for their needs.

To refer a patient to CRS Australia or to find out more, call us on **07 5459 8800** or visit us at **www.crsaaustralia.gov.au**
