## KAWANA HOTEL

NICKLIN WAY KAWANA

Meet others who just “get” you!

This is a social network for young adults with Asperger’s Syndrome/Autism  
(18-35 year olds). Come along for a drink/meal and

a chat and let us know what type of social activities you’re looking for.

There’s live entertainment on Friday’s, but if we don’t like it we’ll  
change the night or the venue!
